Dear Brothers and Sisters in Christ,

We have begun the Kid's Club again this year. A couple in our church wanted to help organize and lead the club, and it has been a blessing to watch them step out of their comfort zone to do the Lord's work in ministering to the kids. We have had an average of 12 kids each time, and it is a wonderful opportunity to share the gospel with these kids and try to show them the love of Christ. Please pray with us that they will clearly understand the truth about salvation, receive Christ as their personal Savior, and their families would also be reached with the gospel.

For Easter, we had a sunrise service at our house with a breakfast following. It was a sweet time seeing the sunrise and being reminded of how Christ not only died for our sins, but that He rose again early in the morning.

One of the ways we try to reach people with the gospel and ground them in the truth is through one on one discipleship. At the moment, there are 9 people we are discipling on a weekly basis, with another 4 somewhat sporadically. Unfortunately, many of these people come from a religious background and have heard all kinds of false teaching about salvation and the Christian life. Our prayer is that God would work mightily in the lives of these individuals through the truth of His Word, showing them how to truly be saved and live for Christ.

A while back, I had the opportunity to minister to some men in a drug rehab facility. One of the men, Valdecir, did a Bible study with me for a while. The rehab center closed and this man was moved to another place. He has bounced around since then, but remains in contact from time to time. Please pray for him that he would accept Christ as his Savior and that he could be free of drugs. Also, his son, Richard, is unsaved and has begun doing drugs as well.

Please pray for Milton. He is a former pastor who had to resign because of health reasons. A year and a half ago, God worked a miracle in allowing him to receive a liver transplant and for the recovery to be quick and smooth. Unfortunately, he is now in a very weakened state with cancer in his stomach, spine, and bones. He is at home and his wife is taking care of him. Please pray for Milton, his wife (Katia), and the family.

**Thank you all so much for your faithful prayers and financial support. May God bless you all.**

In Christ,

The Nate & Kate Nichols Family
