Dear Pastor and Church,

Every Door in '24

Our theme for this year, “Every Door in ‘24,” comes from Acts 5:42, “daily in the temple, and in every house, they ceased not to teach and preach Jesus Christ.” To reach this goal of getting the gospel into every household in Fluvanna this year, we have been holding “stuffing parties” before our weekly Bible study to assemble mailing packets, which include an invite and a John/Romans. We also have put out packets on Sundays for our members to take home, assemble, and mail to the houses that cannot be door-knocked. Too, we have visited many doors in the northeastern portion of Fluvanna, talking to many people and leaving door-hanger bags with invites and John/Romans. So far, we have reached about 1,100 houses with the gospel. We are thankful that our members have taken initiative to help with this endeavor!

Love Your Neighbor Sunday

Last July we held our first annual Love Your Neighbor Sunday. The Lord blessed with a then-record attendance and four first-time visitors. This year we decided to hold this special Sunday closer to Valentine’s Day, on February 11. Many invites have gone out in the past few weeks, and we have been encouraged to hear that our members are inviting their friends, family, and neighbors, and praying for the Lord to send visitors this coming Sunday. Please pray with them, and us, that we would have first-time visitors, and returning visitors, who

would hear the gospel and respond.

As we have increased our outreach, we have seen the Lord bless by sending five first-time visitors in five weeks, as well as several returning visitors. Please pray for Sue, Larry, Taylor, Charles, and Anita to visit again and if needed, to be saved.

We've also seen opposition to the gospel. For example, our new convert who was baptized at the end of November has been trying to get her unsaved husband, Rich, to attend. Unfortunately, that caused much tension in the marriage, and as a result, they are currently attending a non-denominational church of his choosing. Please pray for Rich's salvation, as well as their kids William and Ava, and for Heather's continued growth in the Lord. In addition, one of our regular attenders depends on her family for a ride, and her family has decided that they will be "unavailable" to help her come. (Another member will be helping to pick her up as she drives right by her house.) These are just a couple of examples of the opposition that we have seen this month.

Upcoming Events

On February 25, our sending pastor Marc Deloach will be with us to preach our Stewardship Sunday. We also started monthly men's meetings in January, with the purpose of building leadership in the church. We will have our first ladies' meeting on March 3. Please pray that the meetings will lead to true Christian growth.

Thank you for your prayers and support. We know that God, Who can do anything, chooses to act in response to His people's prayers.
