

"For God so loved the world, that He gave His only begotten Son that whosoever believeth in Him should not perish, but have everlasting life."

John 3:16

November 2025

Two months ago, I launched a new visitation ministry to visit each church family's home on a regular basis. It has been my prayer to reach unsaved families and see the whole family get saved and serve God together through Shenyang Baptist Church.

HuiBo and Chonghui, a couple who met and were married at a local government church have been attending for almost two years now. Upon weekly Bible study, the husband finally admitted that he was not saved, and while he believes in the existence of God, he cannot fathom that Jesus died for him personally.

Geyan also has been coming for two years with her kids, yet her husband who works for the government bank, has not been interested. However, she has been learning from the Bible the role of "an obedient wife as unto Lord" and worked on her testimony at home. Due to her prayer, he has allowed me and Hana to visit his home for a Bible study biweekly. On the first visit, I showed him from the Bible the responsibility of a husband as the head of the home. He said, "I didn't know I was head of this home." The next visit, he was ready to listen and asked questions about raising children.

Sida started coming about a year ago, and has been burdened for her nine-year-old son. As a little boy, he used to listen to his mom and grandma teach Bible stories but now, deeply influenced by the communist education system, he rejects God completely. On the first visit, the dad, the mom, and the grandma sat silently as he started pouring out questions about the resurrection, the Trinity, and the validity of the Bible. My heart ached as I saw the spiritual battle through his questions, frustration, and tear-filled eyes. While his soul was seeking for the truth, I also saw his flesh, the devil, and the worldly philosophy that kept him from listening to the Word of God.

Acts 17:27-28 "That they should seek the Lord, if haply they might feel after him, and find him, though he be not far from every one of us: For in him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring." God has created all men and has given all human beings the desire to know and fellowship with Him. Please pray that the eyes of the lost will be opened unto the gospel and receive salvation.

Sammy(15) and John(13) are currently back at my home church, Fairhaven Baptist, for the Empowered Youth conference. They have both been called into full-time ministry. I am praying that God will challenge their hearts through the preaching, and that they will enjoy good Christian fellowship as they've not been back to the States for over four years. They will be returning to China after two weeks right before our Thanksgiving Banquet. Please pray for safety and for God to do a special work in their hearts.

Also, please pray for our 3rd Annual Thanksgiving Banquet that God would send us visitors and for me as I share the Gospel with unbelievers. I am grateful for your faithful prayer and financial support as I serve the Lord with my family in China. Thank you!
