

*"For God so loved the world, that He gave His only begotten Son that whosoever believeth in Him should not perish, but have everlasting life."*

*John 3:16*

# The KIMS to CHINA

April 2026

**Psalm 34:8-9 "O taste and see that the LORD is good: blessed is the man that trusteth in him. O fear the LORD, ye his saints: for there is no want to them that fear him."** I recently had an opportunity to share the gospel with a dad who has been bringing his son on special days for the last three years. Under the strict public education system without God, his son, who is in first grade, has been heavily stressed and effected emotionally and mentally. I told him the source of all problem comes from sin and "Jesus is the way, the truth, and the life." Please continue to pray for this father and son.

Sida has been coming to church for almost two years and been trying to bring along her son. At first, Simon refused to come to church with his mom and when he did come, he was quick to disturb class and argue about the Scripture. We continued praying that he would still come to kids class and enjoy being in church. Sammy prepared multiple Bible verses for Simon to read and we started noticing a change in him. A few months ago, his grandma, who is a believer, started having eye problems, so he was reading the Bible to her at home. Then, he asked Sammy to send him verses to read for kids class and began coming prepared. He said last week, "Now, I'm going come to church every week. I will only have to miss church once every two months." Please continue to pray for Simon and for his salvation.

While God is at work, the devil does not want us to serve the Lord with a joyful heart. One night at visitation, we studied about how trial and testing comes when serving the Lord. When Hana and I walked back to the car, I was met with an angry shop owner for blocking his driveway. I apologized immediately and drove off but noticed he also got in the car. As I made a left turn to get on the highway, he quickly sped up and hit the right side of my car two times on purpose. Thankfully, God protected me and my wife and no one was hurt, but my boys and the church family were emotionally hurt. On Sunday morning, I turned to Romans 5:8, "But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us." We decided to forgive him with God's love and continue to serve the Lord joyfully even in trying times.

On Resurrection Sunday, we had a great time at the park following services with over 40 people in attendance. We prayed and invited many visitors to come and my boys' piano teacher and her son came for the first time. I thank the Lord for His protection upon Shenyang Baptist Church. Disguised as an English children's activity, I am able to hold Bible story times along with games and even preach the gospel to parents who bring their children. It is a privilege to serve the Lord in China, and I want to thank you for praying faithfully. God is good!
